Please follow the steps below to return RFID/NFC transponder that we have supplied to you:

1. Please inform us in advance by telephone or email of the RFID/NFC transponders that we delivered to you and now want to return to us. Please state our item number and date of delivery.
2. Please note that you may only return the RFID/NFC transponders in the same form as we supplied them. Therefore, please separate the RFID/NFC transponders from the item they were used to label.
3. Delete the complete content of all RFID/NFC transponder chips before dispatching them.
4. Please carefully and fully complete the WEEE return form and enclose it with your returned items.
5. Please carefully and properly package your RFID/NFC transponders and send them to the following address:
smart-TEC GmbH & Co. KG
WEEE Return
Widdersteinstraße 2
